Mahboob Khan Outstanding Industry Liaison Award

2017 Nomination Form

Submission Deadline: Wednesday, April 5, 2017

In addition to completing this form, provide a statement identifying the contributions and justification for this award. Address each of the criteria to enable the selection committee to recognize Industry Liaisons who:

1) are deeply committed to the education of graduate students (Developing the Workforce),
2) have had a significant impact on the technical contributions of the research (Aligning Research),
3) have been instrumental in transferring research results to industry (Technology Transfer).

Letters of support from both faculty members and students associated with the research are strongly recommended.

Refer to the Call for Nominations for further details regarding the selection criteria.
